All about Your Birth Card

Our Birth Card is our most important symbol of who we are in this lifetime. It is the card that we most identify with, and through which we have the greatest gifts to share with those around us. It is also called our Sun Card and our Soul Card.

The Nine of Clubs Person

The Card of Universal Knowledge - The Giver of Knowledge

Though this is a card of expanded consciousness, it is also a card of negative thinking and any individual of this Birth Card is working with both of these factors to one extent or the other. These people must let go of many negative mental patterns accumulated from past lives if they are to access the inherent power in this card. There are many who do and who have reached the very heights of recognition. This is also a card of sexual enjoyment. If this sensuous side is allowed to dominate, much time and energy is wasted that would otherwise elevate them to great accomplishment.

The Nine of Clubs is here to end a major cycle in their soul's development, a completion that should see them giving their wealth of knowledge to the world. There are some debts to be paid, especially to those of the Queen of Hearts card and their own families, but once these debts are paid, they can proceed with their cosmic task of enlightening the world. Financially, they are always assisted by Diamond men and they do well in their own business if they don't let the pursuit of money spoil their spiritual values. They cannot be totally materialistic or mercenary even if they try.

Some of their life challenges revolve around honesty and integrity. They are often involved with others who are not so high in these areas and this can pull them down. They are here to learn to focus their mental power and stick to a philosophy that will guide them through the ups and downs of life.

Some of the Nine of Clubs Issues Concerning Relationships

The Nine of Clubs is a loving and highly sexed individual. They actually love romance more than marriage and perhaps this is why some of them have extra-marital affairs. They are also very devoted to their children. There is destined to be one or more very challenging relationships in their life as they have a need to grow up and learn about the responsibilities involved in a true partnership. It is also likely that they will have one major divorce in their life that will alter their life course.

The Nine of Clubs has high love ideals and can be romantic to the extreme. Often, this fragile dream of love comes crashing against the rocks of reality and misplaced hopes and dreams, and they do suffer as a result.

All about Your Planetary Ruling Card

The Planetary Ruling Card acts like a second Birth Card to give you a new slant on your personality and character traits. It is very important in terms of your personal relationships since it represents a part of you that you identify with strongly.

Jack of Spades as Your Planetary Ruler

This ruling card adds a strong, creative urge to your personality that could manifest in several ways. First of all, you may feel drawn towards acting or some form of artistic expression. Even if you are not, you have a lot of creativity that you do apply to whatever work you are doing. The Jack of Spades is also called the card of the 'thief' and because of the strong creative influence, people with this card often make few distinctions in the areas of honesty when it comes to getting what they want. This card is one of the 'one-eyed' Jacks. Therefore, others may see you as being one-sided in your opinions and attitudes. This is also the card of the spiritual initiate. You may feel drawn towards the study of spiritual subjects which can transform your life to a higher level.

All about Your 2nd Planetary Ruling Card

The 2nd Planetary Ruling Card is only experienced by those of the Scorpio Sun Sign. It represents their 'working' ruling card. For most Scorpions, this is the card that they identify with most when it comes to day to day activities and experiences. The 1st Planetary Ruling Card, above, is the one to which they will aspire over the course of their life. It is their 'Phoenix Card' while this 2nd Planetary Ruling Card is their 'Scorpion Card.'

King of Hearts as Your Planetary Ruler

This ruling card accentuates the fatherly side of your personality, encouraging you to be a good parent. As a matter of fact, you probably take your parenting quite seriously, if you have children. Most people with this card do want children and have them sooner or later. This card gives you an authoritative bearing and leadership ability. You can stand up and claim your own space. If you are a woman, you have no trouble handling the men in your life. You are strong-willed and have a quick mind that is capable of making fine distinctions. You probably did well in school. Finally, the King of Hearts bestows some romantic and charismatic power to you - the ability to use charm and persuasion to get what you want from others.

These influences have become a part of your mental state of mind. They influence your thinking and your communications to a great extent. They describe a mental point of view that in turn affects every area of your life.

Some say it is our Mercury Card that leads us in life. New cycles are begun by its influence. It may be the card that signifies what or who starts new cycles in our life. Its importance cannot be overstated. Sometimes these cards describe an important influence in our life. The presence of any of the face cards, for example, would signal an individual who had a profound influence us during our formative years.

Your 13-Year
Mercury Card

Your Thirteen-Year Nine of Spades Period

During this 13-year period you are likely to experience some significant losses in your life. These may be events that seem like tragedies to most people. And you will have to be prepared to give up most anything that God may seem to demand of you now. This is probably the most powerful card of endings in the deck of cards. But the endings that it brings are also blessings in disguise.

The Nine of Spades can be a card of loss and disappointment. However, the true nature of the card reveals that its presence in your life for any period of time does not have to be a disaster. In actuality, the Nine of Spades represents making a completion of some importance. Whether this is the end of a certain occupation, way of life, the loss of certain important relationships, or the ending of a way of being in regards your health and body will depend upon the position of the card and the circumstances in your life during this period. But rest assured that some important aspect of your life is coming to an end when this potent card shows up.

This card encourages us to let go. And as human beings we tend to resist letting go in a big way. But letting go is often exactly what is needed to get us to a better place in our life, even though we do not know that at the time. Powerful spiritual experiences may occur during this time to show you that everything that is happening is for a divine and good purpose. And some people will achieve important goals in spiritual work with this influence.

The underlying King of Hearts points to an important person in your life, usually a kind hearted man who will guide you. For women, this card can also represent a lover or husband.

Some General Information About the Venus 13-Year Period Cards

Your 13-Year
Venus Period is from
11/11/2024 till 11/11/2037

The Venus Period of life begins at Age 13. It is during this period of life that we learn about love and romance. We are still connected to our family at the beginning of this period but most of us will have departed our family before it is over. Many will be married before this period ends as well.

The events during our Venus period of life often set a pattern for our relationships for the rest of our life. We discover, in this period, what sorts of mates we are attracted to, what our personal approach to relationship is, and what sort of partner we ourselves make. Our Venus Card describes these traits to a large extent.

And, it is in this period that our personal relationship karma makes it debut. We can experience great love and heartbreak, along with many other things as we explore the area of love.

Some even begin developing their own family at this time. And the Venus cards can describe just how our family life will be.

The cards below govern your Venus period of life and tell the story of you and your relationship patterns, as well as describe the events that will occur at this time.

Your Thirteen-Year Two of Hearts Period

Your 13-Year
Venus Card

This period of your life will bring a focus on relationships but especially relationships of the heart. If you are a Nine of Spades person, this time will be one of close childhood friendships and relationships with your family. Otherwise you can expect this to be a time of focus on love affairs and/or children. The Two of Hearts literally means a 'union of hearts'. This is the card of 'the lovers' but speaks also of your other close relationships, including family members, dear friends and children. As the card of 'the lovers', however, this card speaks of finding the most ideal love partner - the romantic ideal that most people dream of, but rarely find.

Its Underlying Card

This card brings a focus, though not necessarily fulfillment, with these closest relationships. However, it does portend that the likelihood of your having such a relationship, or more than one of these, is very high. Keep in mind that this card is part of your Life Path Cards. It speaks to a certain part of your personality. It might even be your Planetary Ruling Card. In either case this will be a time when the love of relationship takes form in your life and when you experience the ups and downs associated with finding the perfect friend or perfect love.

The Cards In Your Mars 13-Year Period

Some General Information About the Mars 13-Year Period Cards

Your 13-Year
Mars Period is from
11/11/2037 till 11/11/2050

The Mars 13-Year period begins at Age 26 and ends when we turn 39 and enter our Jupiter period. It is during this period that our passions are expressed, when most of us begin working in life in a real sense, and when most of us work off a great deal of our past-life karma. Whatever really turns us on in life is explored during this period and the cards here will describe something about that, or how its expression is responded to by those around us.

Our Mars Cards indicate what turns us on and what irritates us. Thus the Mars period can have a lot to do with passion and competition. Most competitive sports figures make their mark during this period of life. Each of us will make our mark as well, exerting the power of our Mars card for better or worse. Since Mars governs sex this is a period when many will have children as a result of their passionate expression.

The Mars period is usually associated with work. In this case it represents putting our Mars energy to work. Your Mars cards may describe your approach to work or even what kinds of work you do at this time. The Mars period is one in which we try different kinds of work to see which fits us best. It is preparation for the coming Jupiter period, when our efforts are more financially rewarded.

Your Thirteen-Year King of Hearts Period

Your 13-Year
Mars Card

Being one of the more important 'archetype cards' in the deck, the King of Hearts has many important meanings and possible areas of expression. On one hand, it is the highest card in the suit of love, and rules through love, compassion and wisdom. He has all the power and knowledge of love and knows how to use it, thus when this card appears, it gives you the opportunity to have more control over your feelings and romantic impulses. This will bring more success in all your personal relationships. He is the King of Love and the King of Relationships. Mastery of all relationships is indicated.

For men, this is also the card of the loving father and of sexual enjoyment. Thus, it can indicate the conception or birth of a child or children and fulfillment of romantic desires. Playing the role of father or lover is highly emphasized now, especially if your Birth or Ruling Card is a Heart.

For ladies, the King of Hearts represents the perfect lover or companion and so it often indicates having an enjoyable sexual relationship or in some cases, marriage.

For all, this could mean a significant relationship with a King of Hearts-type person. This person may or may not actually be a Heart but they will be fatherly, kind and powerful and play an important role in your life.

The underlying Two of Clubs says that you may be more argumentative and even fearful during this period. But it also bestows mental genius and precision. Overall this is likely to be a very nice period of your life.

The Cards In Your Jupiter 13-Year Period

Some General Information About the Jupiter 13-Year Period Cards

4

Your 13-Year
Jupiter Period is from
11/11/2050 till 11/11/2063

The Jupiter period of life begins at age 39 and extends until we turn 52 years of age. This period is largely associated with financial and other blessings. It is usually during our Jupiter period of life that we begin making the most money. It is sort of like the harvest season of our life. Your Jupiter cards may indicate what to expect during this period but they also may point to the means by which you will be most financially prosperous.

Finances in the Jupiter period should flow easily if we are in tune with a profession that is truly connected to what we love. If you are struggling during this period, it can only be because you are not doing work that you really enjoy. You might want to keep this in mind as you progress through it.

It is during this period that we experience our important 'cycle of reflection' which includes the Prebirth and Rebirth years of our life. The Rebirth year, or age 45, is considered one of the most important and fortunate years of our life. Seven years after it, we end our Jupiter cycle with the age 52, 'Critical Year' and begin our Saturn cycle. It is important in the Jupiter cycle of life that we open ourselves to the abundance of this world and let go of our struggling. For many, the Critical Year which ends our Jupiter period is the last opportunity to embrace a happy and prosperous life.

With this in mind, study your Jupiter Cards and see if they can help you access the bounty to which you are entitled.

Your Thirteen-Year King of Diamonds Period

Your 13-Year
Jupiter Card

This is the card of the business owner or the business tycoon, someone who is successful and powerful, and sometimes ruthless. This card will either indicate someone in your life who has these characteristics and/or that you yourself will exhibit these qualities to a great extent during this 13-year period of your life. If you have considered having your own business or starting a business enterprise, now would be one of the best times in your life. And you are likely to be very successful at it.

The King of Diamonds is the only one-eyed King in the deck. This often makes King of Diamonds people blind to certain things, often their own faults leading the list. So, you may find yourself being very stubborn and even ruthless now. Though this may appear to be a bad thing, there are times in life when this sort of behavior can be the most appropriate thing to do. This is a powerful King we are talking about here, not a saint. And Kings are fit to rule. So, hopefully you are ready to become a leader now. If not, the most benefits of this card may pass you by.

Its Underlying Card

The underlying Three of Clubs will give you a lot of mental creativity. However, this may also appear as uncertainty and a tendency to worry about things. To minimize the negative expression of this card, keep yourself focused on generating good ideas for whatever work you are involved in. And this card says that it would be a good idea to consider something creative as part of what you do. The Three of Clubs is the author card. Are you interested in writing a book? If so, now is the time.

The Saturn period of life begins with the important age 52, Critical Year. If we have embraced the abundance of our Jupiter cycle, there is no reason to expect Saturn to be anything but more success. The Saturn period is usually considered to be the last really active period of life. Many who have had career ambitions throughout their life will realize their dreams and be recognized for their contributions during this time. Saturn governs the highest house in the zodiac and thus can bestow recognition and reward upon us. Your Saturn card may describe just what you are 'known as' as you complete your life's work. This is not to say that all complete their life's work in Saturn. But it is common for people to move on from a working life to one of other pursuits during this cycle.

Saturn is the great teacher and the Lord of Karma. But usually by our Saturn period of life we have learned his lessons and are ready for his rewards. These consist of ease of life and the wisdom to sustain it on a daily basis. However, it is usually during our Saturn period that health matters assume more prominence for us. This is going to be a time of peace, tranquility and contentment for you. It really has nothing but good influences, but especially if you value peace of mind and heart. The Six of Hearts is a powerful influence of balance and peace in personal relationships. How it affects you will largely depend upon your status in your love life as you enter this period and how responsible you have been in that area. It can also bring you a destined relationship.

Oftentimes we are destined to meet and have a relationship with someone because of our past-life karma with them. This is entirely possible for you at this time and depending upon your age and situation, it could be the love of your life. Some General Information About the Uranus 13-Year Period Cards

Uranus and Neptune are the spiritual periods of our life. The dates for their beginning and ending vary quite a bit and depend upon factors such as how long we live and the quality of the life we have lead up to their beginning. But, in general, these are the periods where we retire from actively working and pursue other interests. Some will pursue spiritual goals exclusively, especially in the Neptune period. But some will mover towards political and social goals in the Uranus period as well as spritual pursuits.

The Uranus period is usually about connecting with our spiritual family. It is usually in this period that we choose a religion, if we haven't already. We become more active in our chosen groups during both these cycles as we prepare a place for ourselves in the life hereafter. Your particular group may not be a spiritual group per se, but it will be one to which you feel that you belong on a deep level.

These periods should provide us with the freedom to explore the deeper meanings of life. And many of us will have profound spiritual experiences and revelations during these periods. As a result of the wisdom we have gained, we are able to lead a happy life with minimal effort and strain. We become like a gentle breeze flowing through the trees. And life can be quite delightful as we grow closer to God. Many will hear Him and feel more attuned to Him and His creation during these cycles of life.

Uranus Card

Your Thirteen-Year Four of Clubs Period

This card guarantees that this particular period of your life will have a lot of stability and satisfaction. You will likely learn things that bring peace to your life and work. And you will find satisfaction in using the knowledge you have gained. This is also a wish-fulfilling period. Though there will always be ups and downs in whatever period of life we are in, for this period you can expect certain wishes of yours to come true in a most delightful way. Just having the expectation of this will help you receive these gifts when they occur. There is a certain amount of protection from Jupiter as well. And this means that it is highly unlikely that any major calamity will befall you, outside of important life Karma that may be destined to occur.

Obtaining and using knowledge, and working with this information is highlighted. It is what is in your mind that makes a difference now - what you know and can apply to your life and work. Be prepared to work a lot as well. This is a work period of you, working and developing a foundation of security in your life.

It will be during this period of life that you realize the importance of others as a means to your own success. You will likely master the 'art of the deal' so to speak. Auspicious Events Occuring from Ages 6 to 26

Each year most people's Birth and Planetary Ruling Cards move to a different location in what we call the Grand Solar Spread (pictured below). Each position has a unique significance and is described in the section about the Displacement Card. However, some of these positions are more significant and represent times in life when special events will occur. There are also special events determined by our age and by certain cards that fall into prominent positions in our Yearly Spreads. This section of your report will define what, if any, of these auspicious events will occur for you this year. The text given further emphasizes their unique importance in the overall fabric of your cards for this time of your life.

About Your Auspicious Events Report

For each of us, there are certain years of our life in which significant events can be predicted and explained using the Science of the Cards. These are events that occur for everyone, but at different times for each. This report will check for and tell you about any Auspicious Events that will be occurring during a range of years specified by the person creating this report.

There will be years in which there are no Auspicious Events. You should be aware of this or you may feel that there are pages missing in your report. Not every year has a significant life event transpiring in it.

Also, this report checks for Auspicious Events for only your Birth Card and Planetary Ruling Card, if you have one. It does not check for auspicious events in your Personality Cards or any other personal signifiers as these have not been found to be consistently significant or accurate.

Some Auspicious Events occur for everyone at the same age of life. These include such events as the Prebirth and Rebirth years and the Critical Year. Others occur a different ages for each card and some of these are extremely significant and powerful. Some bring blessings and gifts while others are reason for caution and care as negative experiences are highly likely. Some bring fame and fortune, others, endings or changes. Knowing ahead of time which influences are present for you allows you to take fuller advantage of them. It is akin to driving at night with your lights on - you can see what is coming and make corrections in your path in order to make your journey more successful. Use this report to take full advantage of the influences coming for you.

THE LIFE SPREAD

Auspicious Events Occuring at Age 6

Each year most people's Birth and Planetary Ruling Cards move to a different location in what we call the Grand Solar Spread (pictured below). Each position has a unique significance and is described in the section about the Displacement Card. However, some of these positions are more significant and represent times in life when special events will occur. There are also special events determined by our age and by certain cards that fall into prominent positions in our Yearly Spreads. This section of your report will define what, if any, of these auspicious events will occur for you this year. The text given further emphasizes their unique importance in the overall fabric of your cards for this time of your life.

This is a Major Completion Year for You

Because you have a Nine card in a prominent position this year (Long Range, Pluto, Result, Environment, or Displacement), we know that this will be a year in which you achieve an important ending in your life. This Nine may occur in either your Birth Card or Planetary Ruling Card Spread. Endings can be seen as disappointments if we disregard their true meaning. In truth they represent graduations from chapters of our life that were important, but are now no longer helpful for our personal growth and development. What is also beautiful about endings is the wonderful freedom we feel after we have passed through it and are on to our next stage of work and development.

Whatever the nature of the endings in your life this year, be glad that you have reached the point in your development that you are ready to move on to better things and relationships. We are often afraid to let go of things that have become so familiar to us. Sometimes we are not even able to see that these things are no longer of any real use to us. Rest assured that this is the case for you. You are ready to move on and by this time next year, you will be in an entirely new and better place for your personal and professional development and expansion.

If you have more than one occurrence of a Nine in these prominent positions, the significance of this completion year becomes even greater and the stronger the likelihood that many areas of your life are coming to an end in preparation for a new phase of development.

Study whatever Nines you may find in your Yearly Spreads carefully. Each one will reveal the specific areas that you may be encountering some important completions.

THE LIFE SPREAD

Auspicious Events Occuring at Age 7

Each year most people's Birth and Planetary Ruling Cards move to a different location in what we call the Grand Solar Spread (pictured below). Each position has a unique significance and is described in the section about the Displacement Card. However, some of these positions are more significant and represent times in life when special events will occur. There are also special events determined by our age and by certain cards that fall into prominent positions in our Yearly Spreads. This section of your report will define what, if any, of these auspicious events will occur for you this year. The text given further emphasizes their unique importance in the overall fabric of your cards for this time of your life.

You can find your True Purpose this Year

There is at least one occurrence of a Six card in your reading in a prominent position (Long Range, Pluto, Result, Environment or Displacement). This might be in either your Birth Card Spread, or your Planetary Ruling Card spread. Either way, this gives you a special opportunity, but one that is only taken advantage of by those who are aware of it. Sixes give us an opportunity to discover what our true purpose is for our life. Most people search their entire life to discover what their life is about and whether or not they have some special purpose or goal that they are to achieve during their time here on the planet. Many never find this purpose at all. Because of the presence of a Six card in a powerful position this year, you will have a special opportunity to discover what your purpose is. Of course, this only applies to you if you have the desire to know. If you are not that interested in knowing more about your life's direction, this will probably manifest itself as a year of steady progress towards existing goals.

Sixes can be frustrating as well because they often represent static and unchanging conditions in our life. However, they also bestow upon us a special ability to perceive that which is usually hidden from our conscious minds. By listening to our inner voice, we can receive great inspiration and direction when these cards are present and you have at least one of them for this entire year. If you have more than one Six in a prominent position in either your Birth Card or Planetary Ruling Card Spreads, then this message becomes even more significant.

Study any and all Sixes that you find in these prominent positions this year, along with other Sixes that appear in your Yearly Spreads. They will reveal much about the special destiny that is coming your way. Good luck on your path to inner discovery.

THE LIFE SPREAD

Auspicious Events Occuring at Age 8

Each year most people's Birth and Planetary Ruling Cards move to a different location in what we call the Grand Solar Spread (pictured below). THE LIFE SPREAD

Your Birth Card is in the Pinnacle Position this Year

You have arrived at a very significant year of your life, perhaps the most significant year. Because your Birth Card is in the 'Sun' or 'Pinnacle' position, this year will mark a great transition for you in some respect. It's effects can vary depending upon your circumstances so read carefully to determine which category you fall in.

If you have been steadily climbing up the ladder of success and have a clear picture of what your goals and purposes are, this year could see you rising up to claim the brass ring of achievement. In a sense, the Pinnacle position represents reaching the top of your profession or dreams. Many have claimed the highest successes in this auspicious year.

If, on the other hand, you have been searching for a direction to go in your life, this year will likely see you finding that direction and it might just surprise you as to which way you end up going. Be prepared to make a large-scale transition into something different than you have done before.

Even if you have no particular career ambitions, this position guarantees that a chapter of your life is completing and that you will be moving on to new and better things sometime during this year. This is a year of change. Something of your past must be given up to make way for the new future that awaits you. Regardless of what that is, you will be happier as a result.

Two years from now you will be in your 'Most Blessed' year. During that year you will receive whatever it is that your heart desires the most. For this reason, you are in the middle of one of the most important cycles of your life.

You can find your True Purpose this Year

There is at least one occurrence of a Six card in your reading in a prominent position (Long Range, Pluto, Result, Environment or Displacement). This might be in either your Birth Card Spread, or your Planetary Ruling Card spread. Either way, this gives you a special opportunity, but one that is only taken advantage of by those who are aware of it. Sixes give us an opportunity to discover what our true purpose is for our life. Most people search their entire life to discover what their life is about and whether or not they have some special purpose or goal that they are to achieve during their time here on the planet. Many never find this purpose at all. Because of the presence of a Six card in a powerful position this year, you will have a special opportunity to discover what your purpose is. Of course, this only applies to you if you have the desire to know. If you are not that interested in knowing more about your life's direction, this will probably manifest itself as a year of steady progress towards existing

goals.

Sixes can be frustrating as well because they often represent static and unchanging conditions in our life. However, they also bestow upon us a special ability to perceive that which is usually hidden from our conscious minds. By listening to our inner voice, we can receive great inspiration and direction when these cards are present and you have at least one of them for this entire year. If you have more than one Six in a prominent position in either your Birth Card or Planetary Ruling Card Spreads, then this message becomes even more significant.

Study any and all Sixes that you find in these prominent positions this year, along with other Sixes that appear in your Yearly Spreads. They will reveal much about the special destiny that is coming your way. Good luck on your path to inner discovery.

Auspicious Events Occuring at Age 9

Each year most people's Birth and Planetary Ruling Cards move to a different location in what we call the Grand Solar Spread (pictured below). Each position has a unique significance and is described in the section about the Displacement Card. However, some of these positions are more significant and represent times in life when special events will occur. There are also special events determined by our age and by certain cards that fall into prominent positions in our Yearly Spreads. This section of your report will define what, if any, of these auspicious events will occur for you this year. The text given further emphasizes their unique importance in the overall fabric of your cards for this time of your life.

You have the King of Spades as your Long Range Card this Year

This can be an especially powerful and successful year for you. Because you have a King of Spades Long Range in your Birth Card spread, there is little you cannot accomplish. The King of Spades is the most powerful card in the deck when it comes to material and work accomplishment. However, it only benefits those who are willing to take on a role as a leader in their chosen field. It usually implies leadership in some form anyhow, but this can be a special opportunity for you to realize some of your dearest and highest goals. If you are willing to sit down and create a plan for your success or accomplishment, there is little that could prevent you from reaching your goals. Everything will seem to go your way and you will succeed where others have failed. In most areas of competition you will come out the winner. The list of benefits goes on and on and this could be a year you will never forget for all of the success it will bring. But do keep in mind that these benefits are only available to those who are willing to become a King, which implies being the one who is responsible and willing to direct their own destinies as well as those around them. This opportunity comes rarely in life. Some cards will never have the King of Spades Long Range, while others may only have it once at most. Maximize this special influence while it lasts.

You Are in the 'Most Blessed' Position This Year

Your Birth Card falls in a very auspicious position this year, the spot in the very center of the Grand Solar Spread known as the 'Most Blessed' position. This position has what we call a 'double Jupiter' influence. Because of the fortunate effects of Jupiter, you are absolutely going to receive a tremendous blessing this year. In effect, you will receive the thing that you want most in life. However, this will be the thing that you truly want in your heart, not just some fanciful wish that your mind plays with at times. Whatever you wish for most and that thing that will bring you the most true happiness will come to you this year. Therefore, this is a very auspicious year for you and one that marks the end of a long cycle in your life.

If you are a materially minded person, this wish may manifest as greater financial blessings or something on the mundane level. However, it will only come to you if this thing will truly bring you more happiness and peace of mind. For spiritually minded people, prayers are answered and major turning points in life are reached. Many embark on a higher path at some point during this auspicious year.

This year will help to show you that there is much in this life to be grateful for. By having more gratitude for everything in our life, we multiply our abundance and attract more prosperity.

This is a Major Completion Year for You

Because you have a Nine card in a prominent position this year (Long Range, Pluto, Result, Environment, or Displacement), we know that this will be a year in which you achieve an important ending in your life. This Nine may occur in either your Birth Card or Planetary Ruling Card Spread. Endings can be seen as disappointments if we disregard their true meaning. In truth they represent graduations from chapters of our life that were important, but are now no longer helpful for our personal growth and development. What is also beautiful about endings is the wonderful freedom we feel after we have passed through it and are on to our next stage of work and development.

Whatever the nature of the endings in your life this year, be glad that you have reached the point in your development that you are ready to move on to better things and relationships. We are often afraid to let go of things that have become so familiar to us. Sometimes we are not even able to see that these things are no longer of any real use to us. Rest assured that this is the case for you. You are ready to move on and by this time next year, you will be in an entirely new and better place for your personal and professional development and expansion.

THE LIFE SPREAD

If you have more than one occurrence of a Nine in these prominent positions, the significance of this completion year becomes even greater and the stronger the likelihood that many areas of your life are coming to an end in preparation for a new phase of development.

Study whatever Nines you may find in your Yearly Spreads carefully. Each one will reveal the specific areas that you may be encountering some important completions.

You Have Good Career Influences This Year

Because of the position of your Planetary Ruling Card this year, there are opportunities for you to achieve a larger measure of recognition in your work. Of course, if you are not career or business minded, this influence will have little effect on you. But for those who are trying to get more recognition or wish to become better known, this is a year when some of those dreams will come true.

The cards in your Planetary Ruling Card's Yearly Spread will rise up to the 'Crown Line' sometime this year and because of this, people will pay more attention to what you are doing. You could achieve some sort of award or merely become more recognized in your field. Many people receive promotions during years such as these. Just how it will manifest will depend upon the nature of your work or aspirations. Knowing, however, that these influences are present, it would be advantageous to put more effort into becoming recognized.

This Nine may occur in either your Birth Card or Planetary Ruling Card Spread. Endings can be seen as disappointments if we disregard their true meaning. In truth they represent graduations from chapters of our life that were important, but are now no longer helpful for our personal growth and development. What is also beautiful about endings is the wonderful freedom we feel after we have passed through it and are on to our next stage of work and development.

Whatever the nature of the endings in your life this year, be glad that you have reached the point in your development that you are ready to move on to better things and relationships. We are often afraid to let go of things that have become so familiar to us. Sometimes we are not even able to see that these things are no longer of any real use to us. Rest assured that this is the case for you. You are ready to move on and by this time next year, you will be in an entirely new and better place for your personal and professional development and expansion.

If you have more than one occurrence of a Nine in these prominent positions, the significance of this completion year becomes even greater and the stronger the likelihood that many areas of your life are coming to an end in preparation for a new phase of development.

Study whatever Nines you may find in your Yearly Spreads carefully. Each one will reveal the specific areas that you may be encountering some important completions.

Auspicious Events Occuring at Age 17

Each year most people's Birth and Planetary Ruling Cards move to a different location in what we call the Grand Solar Spread (pictured below). Each position has a unique significance and is described in the section about the Displacement Card. However, some of these positions are more significant and represent times in life when special events will occur. There are also special events determined by our age and by certain cards that fall into prominent positions in our Yearly Spreads. This section of your report will define what, if any, of these auspicious events will occur for you this year. The text given further emphasizes their unique importance in the overall fabric of your cards for this time of your life.

You can find your True Purpose this Year

There is at least one occurrence of a Six card in your reading in a prominent position (Long Range, Pluto, Result, Environment or Displacement). This might be in either your Birth Card Spread, or your Planetary Ruling Card spread. Either way, this gives you a special opportunity, but one that is only taken advantage of by those who are aware of it. Sixes give us an opportunity to discover what our true purpose is for our life. Most people search their entire life to discover what their life is about and whether or not they have some special purpose or goal that they are to achieve during their time here on the planet. Many never find this purpose at all. Because of the presence of a Six card in a powerful position this year, you will have a special opportunity to discover what your purpose is. Of course, this only applies to you if you have the desire to know. If you are not that interested in knowing more about your life's direction, this will probably manifest itself as a year of steady progress towards existing goals.

Sixes can be frustrating as well because they often represent static and unchanging conditions in our life. However, they also bestow upon us a special ability to perceive that which is usually hidden from our conscious minds. By listening to our inner voice, we can receive great inspiration and direction when these cards are present and you have at least one of them for this entire year. If you have more than one Six in a prominent position in either your Birth Card or Planetary Ruling Card Spreads, then this message becomes even more significant.

Study any and all Sixes that you find in these prominent positions this year, along with other Sixes that appear in your Yearly Spreads. They will reveal much about the special destiny that is coming your way. Good luck on your path to inner discovery.

Because of this you will have a certain amount of good fortune and you will see at least one of your important wishes fulfilled at the same time. But it does mean that some things will come easier to you and that something you want will manifest itself. This is, for the most part, going to be a year of prosperity and abundance.
